Special Instructions: _____

I agree to call 928 474-1269 when my child cannot attend a class. More than six (6) unexcused absences and an inability to pass the grade level final examine will cause the student to repeat that level of study before moving on to the next level. St. Philip the Apostle instructional material provide an excellent structured study of the Roman Catholic faith. Students who poorly understand the level they are in would have a huge disadvantage at the next level.
